

Finally, a boat ride that
doesn't require a sports bra.

There's nothing worse than an unnecessarily choppy boat ride. Up and down, up and down. This 510 Coast Runner CV features Quintrex's unique Millennium Hull and Flared Bow to make all that a thing of the past. With excellent stability and control you plane higher and faster for a smoother, dryer ride. Combine that with the Maxi 2 transom and the brisk performance of a 75hp Mercury outboard and you've got the perfect boat for fishing or family fun. **A DAY OUT MADE EASY. BOATING MADE EASY. QUINTREX.** Find your nearest Quintrex dealer at www.quintrex.com.au
